// Experience

2019-x Swiss Innovation Lab UI/UX/Web designer

I'm currently working in Croatian subsidiary (SIL d.o.o.) R&D office in Varaždin on UI, UX and development projects that include mobile and web apps for various IoT products.

2012-2019 Letina inox / AWB Multimedia Designer / Sys. Admin

Stainless steel tanks and aluminium workboats producer. Worked there as in-house print/product/web/UI/UX designer, system admin and electronic/software developer in R&D projects (milk vending machine).

2008-2011 Inviion / Schletterer Int. Multimedia Designer

International spa planning and consulting company. I worked in their Croatian office as multimedia designer on web/presentation design projects, UI, 3D visualizations and animations.

2005-2008 Adria Media Zagreb d.d. Graphic Editor

Graphic editor of few magazines (Elite, Sensa, Men's Health, Lisa).

2002-2005 Akter Public d.o.o. DTP / Graphic Designer

Zagreb based advertising agency where I worked on projects related with ad and logo design, tv commercials, web design and photography.

2000-2002 Grafičar d.d. DTP / Graphic Designer

Prepress and graphic design, package design
